

The Summer Symposium in Gardone Riviera, Italy

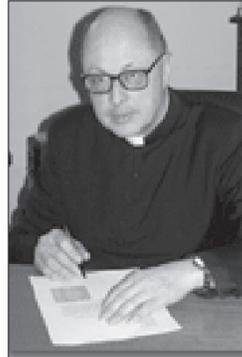

Honoring the 100th Anniversary of St. Pius X's *Notre Charge Apostolique* July 1 - July 12, 2010

As Western Civilization falls into ruin, twelve Catholic leaders from Europe and America will come together this summer to ask one question: *“Are we going to just accept the Godless political and social system, or will we take a stand for Christ the King and a Christian vision of man and society?”*

Come to Italy this summer and let's answer that question together!
